

## ABOUT US

Bima First Advisory Services LLP is a Composite Insurance Agency. We provide customized Life and Health Insurance solutions.

At Bima First, we constantly look for ways to improve our solutions ensuring a coverage that is responsive to your needs.

Our work does not end at selling insurance to you, it begins from there!  
Timely Claim Settlement is our USP.

*For us, nothing is more important than your satisfaction.*

## LIFE INSURANCE

Life is beautiful, but also uncertain. You are never sure what life has in store for you. It is therefore important that you do not leave anything to chance, especially 'Life Insurance'.

Life Insurance penetration might have crossed 30% but all are still grossly **UNDERINSURED**.

No matter how old or successful you are, your family's well being and financial security is above everything else. We therefore help you secure your family's future.

## HEALTH INSURANCE

Globally, insurance penetration stands at 6.2%. In India this figure is at 3.3%. In many cases, people have to sell their assets or take loan for their treatment.

Out of pocket expenditure on healthcare is about 86% in India.

To make sure that your health is intact without disturbing your financial stability, we provide the right health insurance plan.
